2-YEAR DIPLOMA • SWIFT CURRENT

CAREER OPPORTUNITIES

The Business Diploma in Human Resources (HR) offers multiple vocational paths and a varied work experience. Almost all businesses, industry and for-profit and non-profit institutions employ individuals who are responsible for HR duties. On a day-to-day basis, you might be dealing with benefit plans, payroll, labour relations or recruitment issues. HR professionals are also responsible for 'bigger picture' duties. For example, they design competitive employee packages and support a productive and healthy work environment.
