

## WHY THE LIBERAL ARTS CERTIFICATE?

The Liberal Arts Certificate is a flexible program, both in content and in delivery model. It allows students to:

- Take the first year of university studies while remaining in a smaller city
- Take introductory university classes in comfortable class sizes that offer a more personal, supportive and productive learning environment
- Begin full-time or part-time studies with a defined academic goal in sight
- Complete a university program that may or may not have begun at a different post-secondary institution (up to 15 credits may be non-University of Regina courses)

## WHAT YOU WILL LEARN

The Liberal Arts Certificate is a flexible program, where you will be introduced to a wide range of university subjects and courses that are general to all walks of life, rather than specific to a particular profession or trade.
