GREAT PLAINS COLLEGE
2021-22 VIEWBOOK

**“Having the ability to
take my first year of
university classes closer
to home was an easy
decision to make.”**

– Brock Wall
2020 University (Agriculture)
& SunDogs Alumnus

Welcome to Great Plains College.

Student Associations

Our Student Associations organize student events, provide leadership opportunities and promote good times.

SunDogs Athletics

The SunDogs Athletics program is a popular draw at the Swift Current Campus. The SunDogs compete in men's and women's volleyball in the Prairie Athletic Conference.

Scholarships

Thanks to our very generous donors, we offer our one-of-a-kind Entrance Scholarships and Early Entrance Awards. Take advantage of these opportunities and get some extra cash!

Health & Dental Plan

If you are enrolled in a full-time student loan-eligible program, we've got you covered under a robust health and dental plan.

myWellness

Take the first step toward better mental health. myWellness is an award-winning student mental health and wellness program through which you can access support resources, an anonymous mental health assessment and a toolbox full of helpful solutions.

Take in a webinar and virtual tour

In the name of safety and social distancing, Great Plains College will host a series of online interactive webinars that will serve as opportunities to learn more about programs and courses that the college offers across its campuses.

The live videoconference sessions will be hosted by a variety of Great Plains College staff including members of the recruitment team, program coordinators and student advisers. They will be available to anyone interested in finding out more about the college's programs and courses, application processes, scholarship opportunities and specific college locations.

For more information about the webinars and to register, email behere@greatplainscollege.ca, call/text 306-816-0009, or visit greatplainscollege.ca/events.

Led by knowledgeable and experienced instructors, our smaller class sizes make for a more personal, supportive and productive learning environment.

In most programs offered at Great Plains College, you gain real-world experience through practicums before you graduate.

Our programs

We offer a number of post-secondary certificate, diploma and degree programs as well as university courses, safety training, adult basic education and English language training.

Full-time | Part-time

START YOUR UNIVERSITY JOURNEY HERE AND ENJOY SMALLER CLASS SIZES AND QUALITY INSTRUCTION.

You can take your first year (and sometimes more) of almost any university program right here at Great Plains College. Most classes are face-to-face, with less than 35 people per class. You will also maximize your scholarship potential by qualifying for scholarships at both the university you are enrolled at and Great Plains College.

LOCATION:	Swift Current (face-to-face, live streamed and online)
AFTER GPC:	Continue and complete your degree at University of Regina or University of Saskatchewan.

Your first year

AGRICULTURE

Students accepted into the University of Saskatchewan’s College of Agriculture and Bioresources can take their first year of study with concentrations in agricultural biology, agricultural economics, agronomy, animal science, applied plant ecology, crop science, environmental science, food and bioproduct science, horticulture science, and soil science. Students at Great Plains College will benefit from the campus’ proximity to the Swift Current Research Development Centre, a leading federal agriculture research facility.

ARTS & SCIENCE

The first year provides you with the opportunity to take a variety of courses needed to pursue the degree of your choice. You can also keep your options open and take the time to identify program areas that interest you. Student advisers will work with you to help select classes that meet general degree requirements. That way, when you are ready to choose a major or program you will likely have the prerequisites in place.

EDUCATION

Students accepted into the University of Regina’s Elementary or Middle Years programs can complete their first year at Great Plains College. University of Saskatchewan and Secondary Education students can also take courses toward their program as full-time or part-time students. An adviser will assist you with course selection to fit your Education program.

PRE-NURSING

Students interested in obtaining a Bachelor of Science in Nursing (BSN) from the University of Saskatchewan can take their first year, 30 credit hours, of pre-professional Arts and Science courses at Great Plains College.

SOCIAL WORK

Begin the first year of a University of Regina Social Work degree and gain the skills necessary to counsel individuals and groups, develop and administer programs, and implement problem-solving strategies, often with minority and disadvantaged groups in urban, rural and remote areas. Complete your remaining years online or at the University of Regina.
