

### WHAT YOU WILL LEARN

Working one-on-one with youth, graduates of the Youth Care Worker Diploma make a difference in their community. Qualified instructors with real-world experience in the field help Diploma students build on knowledge and skills developed in the Youth Care Worker Certificate program. You will learn more about

abnormal psychology, agency administration and community development, conflict resolution and small group facilitation. Your knowledge will dive deeper in the areas of conflict diversity and family systems, sexual victimization and therapeutic intervention strategies.
