

### WHAT YOU WILL LEARN

The Pre-Nursing Certificate is designed for individuals who have a university degree in any discipline and are interested in applying to the SCBScN After Degree Nursing Program (ADNP) at the University of Regina but do not meet the admission requirements. The successful completion of this certificate will give students the course credits they need to meet the admission requirements of the SCBScN After Degree program.

Please note: The completion of this certificate does not guarantee entry to the SCBScN After Degree program.

The After Degree Nursing program was established for individuals who have already completed a university degree to fast-track the SCBScN degree in 24 months rather than the full 3-4 year direct entry SCBScN program.

For more information about admission to the SCBScN After Degree program, visit [uregina.ca/nursing/](http://uregina.ca/nursing/).

### ENTRANCE REQUIREMENTS

- Grade 12
- English language requirement

Please note that if you do not meet these entrance requirements, special admissions options may be available.

### APPLICATION PROCESS

There is a two-stage application process for a Pre-Nursing Certificate:

1. Contact a Great Plains College student adviser and they will work with you to complete the University of Regina undergraduate application form. You must also apply to Great Plains College.
2. Apply to the University of Regina through the Pre-Nursing Certificate application process.
