

WHAT YOU WILL LEARN

Prepare for a career in welding in as little as 9 weeks. In this hands-on program you'll gain the skills you need for a career in a high volume welding production environment such as a shop or on an assembly line. You'll focus on the gas metal arc (MIG) welding process, while also learning about blue print reading, cutting processes and trade safety.

ENTRANCE REQUIREMENTS

- Grade 10
- English language requirement
- Applicants must be a Canadian citizen, a permanent resident or on a work permit

Please note that if you do not meet these entrance requirements, special admissions options may be available.

FEES

Tuition: \$0

Application Fee: \$75

Book Deposit: \$0

This program is not eligible for student loans consideration or Great Plains College Entrance Scholarships.

COURSE LIST
