

WHAT YOU WILL LEARN

In this full-time program you'll receive the training required to write the exam to become a licensed practical nurse in Saskatchewan. Through a combination of hands-on classroom learning and practicums, you will receive clinical experience in medicine, surgery, pharmacology, acute care, obstetrics, pediatrics, long-term and rehabilitative care, health promotion and illness prevention. You will be highly skilled and well prepared to write your licensure exam upon graduation.
