Admissions Chart

“What I appreciated most about the Practical Nursing program was the clinical experience, where we were able to apply what we learned in class in real-world settings.

The smaller class sizes at Great Plains College made it easier to ask questions and get support from instructors. Throughout the program, I’ve grown both personally and professionally while developing skills I’ll carry into my nursing career.

I’ve been with the college since 2022, starting in the Continuing Care Assistant program before continuing into Practical Nursing. My time at the college has given me a strong foundation in patient care, communication, and the confidence to take the next step in the nursing field.”

Louise De Guzman

2026 Practical Nursing Student

STUDENT ASSOCIATIONS

Our Student Associations plan events throughout the year. Whether you decide to join in and help lead the planning or just stop by for one of the events, it's a great way to have fun and meet new friends.

MENTAL HEALTH

Your mental health is a priority. As a student, you'll have access to mental health supports through myWellness, an award-winning student mental health and wellness program. On-site counseling can be set up in consultation with a student adviser.

HEALTH & DENTAL PLAN

If you are enrolled in a full-time student loan-eligible program, we've got you covered under a robust health and dental plan.

SCHOLARSHIPS

Thanks to our very generous donors, we offer one-of-a-kind Entrance Scholarships and awards that can help ease the financial burden of going back to school. Take advantage of these opportunities and get some extra cash.

CHECK US OUT

Attend an event, book a tour, or apply and come see us for yourself. There's no shortage of information at greatplainscollege.ca and on our social media channels.

STOP BY AND SAY HELLO!

EVENTS

Discover Great Plains College through a variety of events held throughout the year. From Information Sessions to Open Houses, you will have the opportunity to explore our programs, meet the staff, and experience campus life.

Bonus: Apply at any Open House and save the \$75 application fee.

TOURS

Reach out to book your own tour at any of our campuses or take a virtual tour anytime at greatplainscollege.ca/tours.

PRESENTATIONS

Interested in a presentation for your classroom or organization? Reach out and we'll set up a time that works for your schedule.

POST-SECONDARY PROGRAMS

Administrative Skills

Certificate
Part-time

Agricultural Science Certificate

Full-time | Part-time

GAIN THE SKILLS YOU NEED TO THRIVE IN TODAY'S DYNAMIC OFFICE ENVIRONMENT.

You'll develop expertise in office procedures, business communication, document production, record keeping and customer service. You'll learn on modern technologies, including Microsoft Suite and cloud-based tools. Graduates will leave prepared to contribute effectively in administrative roles across a wide range of industries.

CLASSES START: Continuous intake

LOCATION: Warman

AFTER GPC: Work as an administrative assistant, data entry officer or general office clerk.

LEARN THE FUNDAMENTAL SKILLS THAT ARE ESSENTIAL FOR MODERN AGRICULTURE OPERATIONS IN THIS HANDS-ON PROGRAM.

With courses ranging from record keeping and innovative technology, to practical field skills, your knowledge of crop production will prepare you to grow your career in the agriculture industry.

CLASSES START: October

LOCATION: Swift Current

AFTER GPC: Upon completion of this certificate program, you may transfer into the second year of the Crop Technology Diploma program at Lakeland College or begin your career in a farming operation or the retail agriculture sector.

Bachelor of Science in Nursing

Full-time | Part-time

IN THE UNIVERSITY OF SASKATCHEWAN'S BACHELOR OF SCIENCE IN NURSING (BSN) PROGRAM, YOU WILL LEARN ALL ASPECTS OF HEALTH AND WELL-BEING ACROSS A PERSON'S LIFE SPAN. YOU WILL STUDY NURSING, HEALTH AND THE HEALTH-CARE SYSTEMS THROUGH THE CREATION AND INTEGRATION OF KNOWLEDGE FROM RESEARCH, EDUCATION AND PRACTICE.

You will participate in theory courses, evidence-based research, and nursing practice in simulation, lab and clinical settings. The BSN program includes access to clinical practice opportunities in hospitals and community agencies.

CLASSES START: September

LOCATION: Swift Current

AFTER GPC: Upon completion of the USask Bachelor of Science in Nursing you will be prepared to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN) exam. Successful completion of BSN degree, the NCLEX-RN exam and registration with a provincial regulatory body (College of Registered Nurses of Saskatchewan) will allow you to work as a Registered Nurse (RN) in Saskatchewan.

Business

Certificate
Full-time | Part-time

GET YOUR CAREER IN BUSINESS STARTED OR BRING YOUR BUSINESS IDEAS TO LIFE WITH THE TOOLSET NEEDED TO START YOUR OWN BUSINESS.

If your goal is to pursue a professional career or continue your education, this program transfers directly to a diploma at Saskatchewan Polytechnic. You can also apply credits toward a university degree.

CLASSES START: September

LOCATION: Swift Current

AFTER GPC: Work in banking, accounting, human resources, insurance, or real estate sectors, or run your own business. You may also choose to build on your certificate and pursue a Business diploma or degree.

Certificate in Occupational Health, Safety & Environmental Systems

Full-time | Part-time

BEGIN A CAREER IN OCCUPATIONAL HEALTH AND SAFETY (OH&S).

Explore a new learning initiative that focuses on a systems-and process-based approach to Occupational Health and Safety (OH&S) concerns and solutions. The COHSES program will focus on improving the ability to identify, prioritize and manage workplace hazards and risks, and provide students with necessary communication considerations to provide leadership guidance on safety, health and environment management issues in a variety of work environments.

CLASSES START: Whenever the time is right for you.

LOCATION: Online

AFTER GPC: A career in Occupational Health and Safety (OH&S) can lead to a wide range of opportunities. OH&S professionals are working as health and safety consultants and coordinators, ergonomics and safety specialists, quality assurance professionals, health and safety officers, safety inspectors, occupational hygienists, safety project officers and safety specialists. OH&S professionals may be employed in a wide variety of settings including manufacturing, oil and gas, forestry, mining, construction, government, service and trade sectors.

Continuing Care Assistant

Certificate
Full-time | Part-time

LEARN TO FUNCTION AS A TEAM MEMBER IN LONG-TERM CARE OR HOME CARE.

Through a combination of hands-on classroom learning and labs, you will receive clinical experience in long-term care settings. This program focuses on working with the elderly, but you will be prepared to work with clients of all ages.

CLASSES START: September

LOCATIONS: Biggar, Kindersley, Maple Creek, Swift Current, Warman

AFTER GPC: Enjoy a high-employment rate and begin a career as part of a healthcare team. You might work in a home care setting, long-term care facility, private care home, acute care facility, integrated facility, supportive housing or special needs classroom.

Diploma in Safety, Health & Environmental Management

Full-time | Part-time

GAIN THE KNOWLEDGE REQUIRED TO DEVELOP, IMPLEMENT AND EVALUATE OCCUPATIONAL HEALTH AND SAFETY PROGRAMS AND SYSTEMS IN THE WORKPLACE.

Demand for competent health and safety practitioners is increasing steadily and forecasted to accelerate in the future. This program augments the skills and knowledge of graduates of our Certificate in Occupational Health, Safety and Environmental Systems (COHSES) program, or recognized equivalent. Prerequisites for this program are typically met with a University certificate in OH&S studies.

CLASSES START: Whenever the time is right for you.

LOCATION: Online

AFTER GPC: Work in a wide variety of sectors as a health and safety consultant or officer, as an ergonomic and safety specialist, quality assurance professional or safety inspector. Pursue a related degree or MBA online.

Early Childhood Education

Certificate or Diploma
Part-time

DEVELOP AN UNDERSTANDING OF CHILDREN'S VARYING PHYSICAL, SOCIAL, COGNITIVE, CREATIVE AND EMOTIONAL DEVELOPMENT STAGES AND LEARN ABOUT THE IMPORTANCE OF PLAY AS A VEHICLE FOR LEARNING.

As an early childhood educator, you plan and organize activities for preschool and school-aged children. You also lead children in activities to stimulate and develop their intellectual, physical and emotional growth. Work toward your certificate or diploma through the Level 1, 2 and 3 courses.

LOCATIONS: Swift Current, Warman, and other locations by demand

AFTER GPC: Work in early learning centres, preschools or private homes. Continue your education and complete the Early Childhood Education diploma at Great Plains College or Saskatchewan Polytechnic.

Electrician

Certificate
Full-time

THIS APPLIED CERTIFICATE PROGRAM PROVIDES ENTRY-LEVEL SKILLS TRAINING TO PREPARE FOR A FAST-TRACK CAREER IN THE ELECTRICAL TRADE.

Electrician is a skilled trade. You'll lay out, assemble, install, test, troubleshoot and repair electrical wiring, fixtures, control devices and related equipment in buildings and structures. Up to 300 hours of trade time and academic credit for Level 1 Apprenticeship may be available to graduates who find employment in the trade and register as apprentices with the Saskatchewan Apprenticeship and Trade Certification Commission (SATCC) within the specified timeline.

CLASSES START: September

LOCATION: Swift Current

AFTER GPC: Work with electrical contractors or in maintenance, manufacturing or mining companies. Continue with apprenticeship and earn your journeypersons to increase your earning potential.

Heavy Equipment Operator

6 Weeks
Full-time

THIS SIX-WEEK, INDUSTRY-RECOGNIZED TRAINING WILL PROVIDE POWERED MOBILE EQUIPMENT CERTIFICATION ON THREE PIECES OF HEAVY EQUIPMENT.

You will gain the knowledge, skills and certifications needed to operate heavy equipment safely and confidently in real-world work environments through a blend of classroom instruction, simulator training and hands-on experience on an active job site. Equipment options include: rock truck, grader, dozer, front-end loader and excavator.

CLASSES START: June (Kindersley), April or August (Warman)

LOCATIONS: Kindersley, Warman

AFTER GPC: Begin working with a construction company, heavy equipment contractor, public works department or mining company. Work toward becoming an independent business owner.

Nursing Prep

Full-time | Part-time

COMPLETE THE 10 PRE-PROFESSIONAL COURSES YOU NEED TO APPLY TO THE UNIVERSITY OF SASKATCHEWAN (USASK) COLLEGE OF NURSING AT GREAT PLAINS COLLEGE SWIFT CURRENT CAMPUS.

The four-year USask undergraduate nursing program requires the first year of studies to be a pre-professional year followed by three years of nursing education leading to a Bachelor of Science in Nursing (BSN).

CLASSES START: September or January

LOCATION: Swift Current

AFTER GPC: Your completed pre-professional year will give you the credits you need to apply to the USask College of Nursing. Upon acceptance you may complete years two, three and four of your Bachelor of Science in Nursing at the Swift Current Campus or another USask Nursing site. The pre-professional year can also transfer to other health science degrees at USask.

Power Engineering - Fourth Class

Certificate
Full-time

RECEIVE THE TRAINING YOU NEED TO BECOME A LICENSED FOURTH CLASS POWER ENGINEER IN SASKATCHEWAN.

Learn the skills to help keep power plants running safely and efficiently. You'll receive training in boiler operations, maintenance techniques and tool use through classroom learning, hands-on labs and a work practicum. You'll also be prepared to write the provincial licensing exams.

CLASSES START: September

LOCATION: Swift Current

AFTER GPC: Work as a power engineer or process operator in plants, large-scale buildings, mills and mines.

Power Engineering - Third Class

Full-time

ADVANCE YOUR CAREER WITH THIRD CLASS POWER ENGINEERING CERTIFICATION.

Build on your Fourth Class foundation and gain the skills to lead the operation and maintenance of the complex systems used in industrial boilers, pumps, air conditioning and refrigeration systems. You'll also be prepared to write the provincial licensing exams.

CLASSES START: May

LOCATION: Swift Current

AFTER GPC: Work as a power engineer or process operator in plants, large-scale buildings, mills and mines.

Practical Nursing

Diploma
Full-time

RECEIVE THE TRAINING REQUIRED TO BECOME A LICENSED PRACTICAL NURSE IN SASKATCHEWAN.

Through a combination of hands-on classroom learning and practicums, you will receive clinical experience in medicine, surgery, pharmacology, acute care, obstetrics, pediatrics, long-term and rehabilitative care, health promotion and illness prevention. You will be highly skilled and well prepared to write your licensure exam upon graduation.

CLASSES START: September (Kindersley & Swift Current), October (Warman), February (Biggar)

LOCATIONS: Biggar, Kindersley, Swift Current, Warman

AFTER GPC: Work in acute, rehabilitation, medical centres, extended care or community settings, and choose an area of specialization in facilities across Canada. Continue your education and work toward a degree in Nursing.

University

Full-time | Part-time

START YOUR UNIVERSITY JOURNEY HERE AND ENJOY SMALLER CLASS SIZES AND QUALITY INSTRUCTION.

You can take your first year (and sometimes more) of almost any University of Regina or University of Saskatchewan program right here at Great Plains College. Most classes are face-to-face, with less than 35 people per class. You can also maximize your scholarship potential by qualifying for scholarships at both the university you are enrolled at and Great Plains College.

CLASSES START: September or January

LOCATION: Swift Current (face-to-face, live streamed and online)

AFTER GPC: Continue and complete your degree at University of Regina or University of Saskatchewan.

Welding

Certificate
Full-time

TRAIN ON INDUSTRY-LEADING EQUIPMENT AND BUILD THE SKILLS FOR A CAREER IN WELDING.

Gain hands-on experience in multiple welding processes, fabrication equipment operation, blueprint reading, shop practices and workplace safety. Train on advanced technologies, including the new Co-Pilot Robotic Welding Machine and Miller OptX Laser Welder, and develop skills aligned with today's evolving welding and manufacturing industries. Before graduation, you'll have the opportunity to take the CWB test and earn apprenticeship and trade time credits that can help fast-track your journey to journeyperson certification.

CLASSES START: September

LOCATION: Swift Current

AFTER GPC: Work as a self-employed contractor, in a private welding shop or for a manufacturer. Continue your apprenticeship and earn your journeyperson status to increase your earning potential.

YOUR MENTAL HEALTH IS A PRIORITY

The overall health of our students is very important. Your mental health affects your performance, your relationships and every aspect of your life.

Our students have access to mental health information and supports through the myWellness program. This includes online counselling, tools for stress reduction, therapy, mental health assessments and more. On-site counseling connections are available at each campus.

Tānisi / Boozhoo!

My name is Lyndon J Linklater and I am a Traditional Knowledge Keeper and storyteller from Thunderchild First Nation in Treaty 6 Territory.

I have been a part of Great Plains College for ten years serving as an Indigenous Adviser providing services to both staff and students.

As you will find out, when you enrol at the college, you become part of a team. The staff will do everything possible to help you succeed in your academic endeavours and you will truly feel that you are part of a family.

Great Plains College excels in offering a safe learning environment and caring staff that make it a premiere academic institution.

**I HOPE TO SEE YOU
ON CAMPUS SOON!**

STUDENT RESIDENCE

GREAT PLAINS COLLEGE'S STUDENT RESIDENCE IN SWIFT CURRENT FEATURES 12 PRIVATE ROOMS IN A SAFE AND SUPPORTIVE LIVING ENVIRONMENT.

Students enjoy shared kitchen, living, and study spaces while building connections with fellow learners.

Conveniently located near campus and community amenities, the residence offers an affordable housing option for students attending GPC. Scan the QR code for residence details, application information, and current deadlines.

International

Visit us at greatplainscollege.ca/international for complete program details.

English Language Training

These classes are for individuals whose first language is not English. You'll improve your English language skills and learn about your community and living in Canada.

What you will learn

You will learn about living in Canada and develop English language skills in:

- Listening
- Reading
- Speaking
- Writing

How you will learn

English Language Training is available in-class and online.

Evening classes

The part-time evening classes will help you learn English and have fun too. You can meet other newcomers in the class.

Daytime classes

The full-time classes are offered during the day at our Swift Current Campus.

Online learning

There are English language levels that online learners must meet.

IELTS Testing

Visit ieltssaskatchewan.ca for more information.

Tutoring

Tutoring is available in various communities. Please contact Bula Ghosh for more information.

For more information and program locations, contact:

Bula Ghosh: English Language Training Coordinator

Phone: (306) 778-5477 or (306)-778-5472,

ADULT BASIC EDUCATION

Essential Skills for Newcomers: Early Childhood Education

Full-time

ADULT BASIC EDUCATION

DO YOU WANT TO HELP CHILDREN LEARN, GROW AND SUCCEED? BUILD THE SKILLS AND CONFIDENCE TO START A CAREER IN EARLY CHILDHOOD EDUCATION.

Build your language, academic and employment readiness skills while preparing for a career in early learning and childcare. Through classroom learning, industry certifications and a work placement, you'll build the communication, teamwork and caregiving skills needed to support children's development and success. You'll also complete Level 1 Early Childhood Education courses and gain valuable experience to support your employment and education goals.

CLASSES START: September

LOCATION: Warman

AFTER GPC: Upon completion, you may use your new skills, experience and industry certifications to begin a career in the early learning and childcare sector or continue your education with level 2 Early Childhood Education courses.

Essential Skills for Newcomers: Introduction to Continuing Care Assistant

Full-time

START YOUR HEALTHCARE CAREER WITH THE SKILLS AND CONFIDENCE TO SUCCEED IN CANADA.

Build your language, academic and employment readiness skills while exploring a career in healthcare. Through classroom learning, industry certifications and a work placement, you'll develop the communication, teamwork and caregiving skills needed for success in the workplace. You'll also earn three post-secondary course credits toward the Continuing Care Assistant program.

CLASSES START: September

LOCATION: Warman

AFTER GPC: Upon completion, you'll have the skills, experience and industry certifications to pursue a career in healthcare or continue your education in the Continuing Care Assistant certificate program at Great Plains College.

Grade 12, Upgrading & CAEC

Full-time | Part-time

TAKE THE NEXT STEP TOWARD YOUR EDUCATION AND CAREER GOALS.

Many employers and post-secondary programs require a complete high school education. Whether you're working toward your Grade 12, upgrading specific courses or preparing for the Canadian Adult Education Credential (CAEC), you'll gain the knowledge, skills and confidence to achieve your educational goals. Our supportive instructors and adult-focused learning environment will help you succeed, no matter where you're starting from.

CLASSES START: September & January

LOCATION: Warman

AFTER GPC: Completing your Grade 12, course upgrades or CAEC can help you qualify for new employment opportunities, apprenticeship training and post-secondary programs, opening the door to your next step.

BE AT

GAPC

HOW DO I APPLY?

Complete and submit an electronic or paper application form which is available online at greatplainscollege.ca/apply, or stop in at any Great Plains College location.

Remember to pay your application fee and submit your most current official transcripts for your application to be considered.

WHEN SHOULD I APPLY?

Applications open September 15 for the following academic year. Applications are reviewed and accepted in the order they are received, so early submission is encouraged.

Don't forget to apply by April 30 (for September program start dates), or October 31 (for late fall or winter program start dates), to be considered for an Entrance Scholarship.

Please note the Practical Nursing programs have application deadlines.

OK, I'VE APPLIED. NOW WHAT?

A student adviser will contact you shortly to confirm that we have received your application. You may receive a conditional acceptance letter outlining program, tuition and scholarship details. If you are conditionally accepted, you will be asked to pay a tuition deposit within 30 days to secure your seat.

If you apply to a program that is already full, or have not met your program's prerequisites, a student adviser will contact you to discuss your options.

STILL HAVE QUESTIONS?

Our student advisers can guide you through everything from the application process and prerequisites, to scholarships, student loans and course loads. Book an advising appointment online today at greatplainscollege.ca/advising.

For more information on any of our programs or services, to book a tour or to meet a student adviser, visit greatplainscollege.ca, email info@greatplainscollege.ca or call us toll-free at 1 (866) 296-2472.

WE ARE YOUR **TRUSTED** PARTNER IN SAFETY TRAINING.

We work closely with businesses to deliver in-person and online training courses and certifications that support occupational health and safety compliance while helping employees stay safe, productive and up to date with industry standards and best practices.

COURSE OPTIONS INCLUDE, BUT ARE NOT LIMITED TO:

- 5th Class Power Engineering Exam Prep
- ATV/UTV Commercial Use Operator Training
- Basic Refrigeration Operator Exam Prep
- Chainsaw Safety Awareness
- Class 1 Truck Driver Mandatory Entry Level Training (MELT), theory only
- Commercial Pesticide Applicator
- Confined Space Awareness, Entry, Rescue & Rescue Technician
- Defensive Driving & In-Car Driving Assessments
- Detection & Control of Flammable Substances
- Fall Protection for Rig Work – Energy Safety Canada
- Fall Rescue for Rig Work – Energy Safety Canada
- Fire Extinguisher Training
- Fireman's-Level Boiler Operator Exam Preparation
- First Aid/CPR – Red Cross
- Fit Testing for SCBA/SABA and particle masks, including N95 masks
- Global Ground Disturbance Levels 1 & 2
- H2S Alive and H2S Blended Renewals - Energy Safety Canada
- Overhead Crane Operator
- Powered Mobile Equipment Operator (Forklift, Scissorlift and Skidsteer)
- Refrigeration Plant Operator Exam Preparation
- Special Oilfield Boiler Operator Exam Prep
- Workplace Fall Protection

A full course calendar is available at:
greatplainscollege.ca/safety-training
or you can contact us directly to arrange custom training.

BE INVOLVED

Led by knowledgeable and experienced instructors, our smaller class sizes make for a more personal, supportive and productive learning environment.

In most programs offered at Great Plains College, you gain real-world experience through practicums before you graduate.

Cybersecurity Programs

Grow your career in cybersecurity through our online courses.

Whether you're new to the field or a seasoned professional, our cybersecurity programming offers novice to advanced courses in some of the most sought after specializations that will help you gain the skills you need for a successful career in this high-demand industry.

SCHOLARSHIPS & AWARDS

You are automatically considered for an Entrance Scholarship when you apply to a full-time student loan-eligible program before the scholarship deadline.

You must pay your application fee and submit your most current transcripts for your application to be considered.

Entrance Scholarships \$500 - \$3,000

Grade-based scholarships up to \$3,000 are available for students in the Agricultural Science Certificate, Business, Continuing Care Assistant, Electrician, Power Engineering, Practical Nursing, Nursing Prep, University and Welding programs.

Entrance Scholarships of \$500 are available for the Certificate in Occupational Health, Safety & Environmental Systems (COHSES) and Diploma in Safety, Health and Environmental Management programs.

2027-28 GRADE-BASED SCHOLARSHIP LEVELS

90%+	\$3,000
85-89%	\$2,000
80-84%	\$1,500
75%-79%	\$1,000
65%-74%	\$500

Note: Your Entrance Scholarship grade average is calculated based on marks from 30-level Canadian studies, English classes, and the highest marks from 20 or 30-level math and science classes. Some exceptions may apply.

Deadlines

October 31
Winter program start dates

April 30
Fall program start dates

More information about Entrance Scholarships and a full list of additional awards and bursaries is available at greatplainscollege.ca/scholarships.
