

WHAT YOU WILL LEARN

The BSN nursing curriculum is designed for students to progress from understanding basic nursing approaches, to demonstrating sound clinical judgement in a variety of situations. Each term, nursing practice will solidify learning and increase confidence in students. In addition to theory courses, students will have the opportunity to participate in interprofessional learning activities, simulation, and clinical practice.

ENTRANCE REQUIREMENTS

Complete year one Pre-Professional courses.

APPLICATION PROCESS

1. Apply to the University of Saskatchewan College of Arts and Science and select "Great Plains College" as your campus of choice.

2. Once you have received your letter of acceptance from the University of Saskatchewan, you can then register for the Nursing Prep program at Great Plains College online at greatplainscollege.ca/apply. There is no application fee to do this.

3. Once you have applied to the college, a student adviser at Great Plains College will contact you directly to make an appointment and discuss your academic plan and course schedule.
